Client Testimonials

Carroll Lehr Funeral Home presented my LifeGem to me this evening. The beautiful red diamond was simply stunning in the white gold setting. As I slipped it on my finger, I was moved with the knowledge that I would have a tangible part of Logan with me for the rest of my life.

Many, many people are seeing this wonder, and all are taken aback. I still can't find appropriate words to thank you enough for your efforts. A few Sundays ago, the sunlight coming through a stained glass window enveloped the gem with spectral light that practically rendered me witless. Mom is in my heart and now with me every day. I thank God we met.

Yesterday, I received the two LifeGems that you sent. They look beautiful!!!! Thank you very much for all you've done for us. The timing was good, as my younger son, Marcus, was asked to bring some things to his grief support group in one week. Bless you, and all who contributed to the 'LifeGem' dream!!!

Received the diamond on Thursday and took it to the jeweler's that afternoon. It was very exciting, especially opening all the boxes to view it for the first time. In the jeweler's light, Mother really sparkled a gorgeous blue. Beautiful certificate as well. The process and all your updates made the waiting very easy. People would ask had I received it yet, and I was always able to give them the latest update. Thank you for that.
