grow a p LIVING MEMORY.

WHAT IS THE LIVING URN®?

The Living Urn® is America's first and leading Bio Urn & Planting System designed to grow a beautiful, enduring memory tree, plant, or flowers with cremated remains! Honor a loved one when they pass on and celebrate and commemorate all they've given us - the joy, the companionship, the love - and keep their memory present in our lives! Give back and grow a living memory with The Living Urn®...

WHAT'S INCLUDED?

- Our Patented BioUrn®
- RootProtect[®], Our Proprietary Ash Agent (counters natural properties of cremated remains that can make growing environment hard on a young tree)
- Aged Wood Chips
- Beautiful Handmade Bamboo
 Planting Urn Case
- Planting Instructions
- Voucher for a young tree of choice (~2 to 4 foot, depending on tree) from our award winning nursery

WE'VE SPENT YEARS WORKING WITH LEADING SOIL SCIENTISTS AND ARBORISTS TO DEVELOP THE MOST ADVANCED BIO URN AND PLANTING SYSTEM ON THE MARKET TODAY...

Place your loved one's cremated remains in the BioUrn® and add our proprietary RootProtect® ash neutralizing agent on top. Next, place the young tree, add soil and plant it in the ground. A beautiful, enduring living memorial will then grow up from the urn and the cremated remains to keep your loved one's memory present in your life!
